The Lady:

The following sentences taken from her HoD profile sums up Amelia perfectly:

"I'm Sweet and Sexy Amelia. An authentic and natural young English woman, who has a lovely, bubbly personality. I love to have fun and love to connect with others. Chemistry and passion is most important to me. I have a petite body with perky tits and a round bum for you to enjoy. Our time together is more than the physical and I ensure to create the right atmosphere, to make you feel relaxed. I'm eager to please and happy to either guide us through our time together or submit to you."

The specific details also from her HoD profile - British, early-mid 20s, 5 foot 2, dress size 8 - also seem entirely plausible to me. I sensed that she had an erudite quality and it wouldn't surprise me if she is blue stocking.

The partially blurred photos currently on her profile provide an excellent impression of what to expect.

The Story:

As readers of my previous reviews may recall, I don't punt very often nowadays so when I do, I try to ensure that it is a good one. My punting instincts were screaming at me that Amelia would be an excellent choice but if truth be told, the fact that her profile states that oral is with a condom meant that she didn't make it to the top of my must see list. But as so often happens, fate lent a hand as I only had a narrow window of opportunity to punt and my top 2 choices were both fully booked for a couple of hours. Amelia was however free, albeit only for 30 minutes, so I booked her instead.

As things turned out, the patron saint of punting must have been in a good form and the stars perfectly aligned that day so using the adjective good to describe my time with Amelia would have been a complete understatement. Absolutely superb would be far more appropriate.

Amelia opened the door when I knocked and I found myself fancying her immediately, so much that I struggled to find anything coherent to say apart from something along the lines of "I wish I could book you for longer" which I repeated several times over the course of our time together like a scratched record. She must thought I was a gibbering idiot!

The action started with dfk in front of the mirror and she dfk'd passionately and with great enthusiasm to quickly rev up my arousal levels into overdrive. Once we were fully undressed it was onto the bed for a bit of frottage then it was on with the condom for oral. While covered oral doesn't normally do a lot for me, she definitely aimed to please and succeeded in keeping my arousal level well beyond the red line. Then onto to missionary for sex while dfk'ing passionately but with time running short, the condom was removed and she finished me by hand. The results were truly explosive. "There is a lot there" she exclaimed while cleaning me up expertly. "Maybe next time you can book me in advance" she responded when I remarked for the umpteenth time that I wished I could have spent longer with her. "I will do that" I replied trying to demonstrate that I have a wider vocabulary than I had up to then evidence.
