### The Premises:

The basement flat a stone's throw from Victoria Station described at least a million times on P'Net.

### The Lady:

Rose - Brit, reportedly early 20s, brunette, fully shaven, very natural large breasts, curvy physique, slightly shorter than average in height.

Mixy - her profile describes her as being of mixed east Asian/Latin heritage, 30 something, 36D sized breasts, 1.58m tall and dress size 8 all of which seem entirely plausible to me. What it doesn't do is convey how attractive and beautifully turned out she is. The blurred photos on her profile do not do her justice imho.

### The Story:

As always, I was in pursuit of a top class GFE. I'd seen Mixy at least 4 times previously and knew that she'd provide an excellent experience. Obviously I failed to make any impression on her as she asked me during the introductory chit chat whether I'd seen her before.

Proceedings started with passionate DFK. Mixy dfk's beautifully and enthusiastically and my arousal levels went through the roof within seconds of the action starting. After about 5 minutes, the thought popped into my head that it's been quite a while since I last experienced a threesome (incidentally it was with Mixy and Sarah over 2 years ago). Having seen Rose on my way in, pure lust motivated me to ask Mixy whether Rose could join us. Mixy was agreeable and within a couple of minutes, Rose was naked and joined in the action.

The session was a bit like a fast roller coaster ride where everything happens so quickly that I knew I was having a fantastic time but can't remember the precise detail. All I can specifically recall is that there was plenty of dfk from Mixy, lfk/fk from Rose, owo and ro with both ladies playing an equal part. The highlight was interaction between the 2 ladies starting with them kissing and caressing each other and culminating with Rose asking me for sex in the doggie position so she could give Mixy a good licking. All too soon, Rose's 30 minutes was coming to an end and she seemed disappointed saying that she wished she could see the come shot.

So it was just Mixy and me in the final few minutes with her giving me owo at my request. With her excellent technique she had me hovering me on the brink for a minute or so before bringing matters orally to a powerful climax. It is good to know that I was able to perform as well as I did half a lifetime ago despite advancing years and being on medication with side effects including loss of libido and erectile dysfunction. The credit I'm sure is due to the the skills of the 2 ladies involved.
