The Premises:

She has a first floor flat directly across from a tube station. It seems like she lives alone, well stocked bathroom and a big room, I dont remember any mirrors, but when I arrived she had a small fan running to keep it comfortable.

The Lady:

If you like the way natural asian women look, then you will like Lola. She is not the youngest or skinniest of asian girls, but has a wonderful set of natural tits and a good proportioned natural body. This is my second time visiting her, and was just as impressed as last time.

The Story:

Overall, she is really into going deep on your cock. Her blowjob skills are very much focused on taking you all the way to the bottom. She did this first while i was standing then had me lay down. I dropped two loads in Mulan the day before, so had a bit of lasting power, enjoyed her ball sucking and deepthroat as long as i could before shooting a huge load down her throat and she took every drop.

She then gave an excellent (pro level massage) in between rounds. Lots of focus on the legs, Olina girls usually focus on the back.

The second round started with her sucking me, then some great 69 - excellent shaved pussy to lick and just enjoy the sight of. She then road me for a bit, after moving to doggy i was surprised how quickly she made me cum. 2 rounds then on my way with a cold water and a big smile. Looking back on it, was a great shag with a real nice lady.
