### The Lady:

Asia - one word, stunning. OK, here are a few more. Fantastic body, beautiful soft skin, kisses you like you've always wanted to be kissed. Thoroughly nice chatty girl. A dream

Katrina - Blonde, quite tall until she removes her killer heels. Unbelievably attentive, she makes you feel like she's been waiting for you all her life.

### The Story:

The semi-finals had been Katrina & Cindy, then Asia & Tiffany. Asia and Katrina comfortably made it to the final and my plan is to make it the best of 27!

This was an astonishing hour. Asia and Katrina are beautiful to look at and beautiful to be with. Not a second of the appointment was wasted. Both of them could easily DFK for their respective countries. They enjoyed each other and appeared to enjoy me.

Giving both of them oral is sheer pleasure. Katrina tells you exactly where to concentrate your efforts and Asia ... well you just know by the way she reacts. We started with a Katrina sandwich but after that the three of us would just go with the flow. Uncovered oral, face-sitting, kissing, caressing. It was a blur. Katrina rode me first, grinding hard on me whilst Asia and I kissed to begin with, followed by Asia sitting on my face. The girls then swapped, Asia riding and grinding whilst Katrina shifted her pussy to get the best results. I felt the juices rising and asked Asia to slow down, but very quickly decided 'no' and asked her to keep doing what she was doing and I came hard inside her.

It appears that Katrina will be away come July but she told me she will be back towards the end of September. Asia is not the most regular at MKE so I will be keeping an eagle eye out on the

schedule for Katrina's return and when Asia's star aligns once more with her.

I've seem Asia three times now and Katrina twice. Those numbers will only go up whilst those for others will stay the same. They are both incredible.
