The Premises:

The location was central Milton Keynes, the parking was easy as it was outside office hours. Annabella Escorts does an excellent job of making the premises suitable for their services. As usual the place was clean and well stocked. I did not make enquiry of their shower facilities.

The Lady:

I was received by Abbey at the door. I was very happy with what I saw. She had a very attractive nice natural face and looked the age mentioned in the advertisement. She had a nice figure, overall, I was happy with the physical presentation.

The Story:

I have been using escort services for a long time, I will say Abbey was one of best experience, because of her great attitude and looks. She was nice to talk to and she was very accommodating to my requirements. Sometimes the escorts keep you at arms lengths, but Abbey made me feel welcome which was brilliant. We started of with some closed mouth kissing, eventually I will start to give Abbey a body massage with the massage oil I had brought. While this was taking place, we had a polite conversation. I eventually went down on her, and she allowed me to do some mild fingering. When performing oral sex, it was nice to look up occasionally and see a pretty face. Nearing the end of my time, we did a 69 for a bit before sex to make me come.
