The Lady:

Pictures on website are quite accurate. Nice body and very attractive. Bubbly personality. She spoke very good English and conversation was easy.

The Story:

Great 2 hour session with Apple. First time visiting her. Definitely wants to make sure you are enjoying yourself. She also seemed to be enjoying it herself too...

Great OWO and cowgirl skills. She wasn't just rocking her hips back and forth. Also gave a nice full-body Thai massage in between rounds (my first time having a traditional Thai massage...it was enjoyable).

Definitely a candidate for a revisit, if she is still here next time I am back in London.
