The Premises:

Usual HOD building, first floor, room down the stairs. Since my last visit they have re-decorated the room, not too much of a change but the roomed seemed more spacious. Bed is now right by the wardrobes instead of right across from the door. They've added a fan which was super helpful with the weather being fairly warm and humid on the day.

The Lady:

Have you seen Emily's profile, that's exactly what you're getting. Great bum to be honest. But what you don't see on the profile is obviously her face as it's blurred. She is simply very pretty, absolutely beautiful eyes. And hair, oh my, her hair is a great complementary to the scenery.

The Story:

Showed up exactly at the booking time, busses running late as usual. Directed to the room by the maid. Emily shows up after a few mins, greets me with a kiss. Paperwork sorted.

Some standing kissing, wouldn't necessarily call it a DFK but she certainly isn't shying away from kissing like many others do. We move onto the bed for a little more snogging and just caressing each other's bodies. I move between her legs for some oral, put a finger in there for a while. Move onto 69, amazing bum to have on your face, but the highlight was absolutely the blowjob. I should have let her blow me while I could watch instead of the 69, but I just love a 69.

She places the condom on me and starts riding me for a bit. She suggests moving onto doggy while facing the mirror. I mentioned her hair haven't I? It just makes the view so much more exciting, the way her hair is dropping towards the floor with her head laying just at the edge of the bed.

It seems like a slightly off day for me, so she suggests moving back to cowgirl, also does in reverse. Finally we switch to mish. But it's at a point where the temperature in the room is so high and I just can't focus on her so have to take a break. (We pop the window open and turn the fan on which really helps). I wish I could have kept on as she is very flexible with her legs in mish.

She offers a handjob, and she is very talented at that as well. I came close to popping a few times but it just wasn't meant to be. Finally with time running out she suggest I try finishing myself off on her tits, but it certainly was not my day on the finishing bit. This absolutely doesn't take away

anything from her.

Finished up with a small chat while I dressed. If I had to describe her with a just a single word, it would be bubbly. Wow, just wow, the way she giggles even during sex and the energy she has and everything. I barely got a few words in, in our chat but it was simply fun to hear her go on about the weather.

I've seen a few ladies in the HOD by now, and Emily easily slips into number 2 spot for me. She is definitely worth going back for more.

I also have to pay compliments to Charlotte (who happens to be my number 1 in HOD) for recommending Emily. It seems like she is as great in picking friends as well as she is in the bed.
