The Premises:

Small, shared flat, 5 minutes from both Kilburn stations. Comfortable clean bedroom.

The Lady:

Petite Thai lady of around 5 feet. Aged 22 years. Very shapely figure. Pretty face. Tight, well-toned body. Large tattoo on back. Very attractive eyes.

The Story:

Greeted by Molly wearing negligee. Shared shower where she cleaned me thoroughly and playfully that produced instant arousal. Then to bedroom where she proceeded with quite mind-blowing edging oral with great attention to balls. Bedroom mirror showed her lovely ass as she performed this looking into my eyes in a naughty way. Really one of the best blowjobs I've ever experienced lasting 20 minutes with slow teasing of all parts and extensive ball sucking of really intense feeling. How did she learn this? Found it very hard to move on given the intense feeling of pleasure. Finally moved on to cow-girl and doggie, followed by more ball sucking and CIM at the point of no return. Followed up by gentle cuddling, nice GFE, and teasing of groin which produced hardness, relieved by a hand job to second completion. All 60 minutes used. No rush at any time. Molly really puts you at ease. She is very eager to please and has decent English that will get better. She has only been here about 6 weeks. I feel she hasn't developed many customers yet but this will soon change if this experience is anything to go by. I went back the following day and it was just as good, if not better. Highly recommended.
