Details of Service Provider:

Profile Name: Olina Oriental Escorts

Website: <http://www.olina-oriental-escort.com>

Phone: 07508538000

The Premises:

2nd floor flat in a nice building 1 or 2 blocks from tube station. Most foot traffic from the tube doesn't seem to go this way so even though it is close, entrance seems like it would be discreet the vast majority of the time.

The Lady:

Pictures on agency website quite accurate. Mulan was very personable and easy to talk to. Excellent English.

The Story:

An excellent 2 hours spent with Mulan. Typical experience with an Olina staff member. Greetings followed by a shared shower, then down to business. Massage in between rounds. "Typical experience" sounds negative, but it is anything but negative with the girls from this agency. They always seem to treat me extremely well, as I'm sure anybody else would agree with. Mulan definitely is added to the list of "Revisit next time I am in London."

Website says she duos with Apple for an additional fee. Based on my experience with both individually, I would imagine anybody wanting to try that duo would be in for a fun time...
