### The Premises:

Usual place on Watling street, easy to miss if your not familiar with the place. There is parking but I prefer to park near egos carpark and walk 5 mins to the premise. The premise itself is fine but can get a little hot in the rooms.

### The Lady:

Cassie is an attractive Chinese lady with fit toned body, accurate to the pictures on the website.

### The Story:

Was looking for some R&R after coming home from holiday and Cassie intrigued me. I couldn't find any prior reviews or feedback about her so was not sure what to expect.

Thankfully I was not disappointed, as soon as I walked into the room she came in shortly after (usually it takes a while for the lady to appear) which was nice organisation for change. Cassie greeted me and kissed me on the lips, and asked me what I'd like. I've never known what to say at this point so I usually say 'a standard service'. She seems to know exactly what I meant and we kissed again while I got to grips with her firm toned body.

I gestured to go over to the bed and she agreed, and and she asked if I'd like OWO, to which I agreed. Cassie gave an extremely hot and enthusiastic OWO which certainly got my juices flowing. After about 10 mins she asked me what position is my favourite and I replied 'woman on top', she then put the rubber on and got on top of me and we banged for good 10 mins. I was having such a good time seeing her on top I had no desire to change position. Cassie was very enthusiastic and seemed to be enjoying being on top. Finally I was at peak enjoyment and finished, and we embraced in a passionate clinch.

She helped clean me up and we talked about the British weather. Then we had a final kiss and I left.

All in all very excellent lady, hope she's around for a while so I can visit again when time allows.
