The Premises:

Ego Massage is a clean professional establishment. Very well managed, and the greeting and welcome from the Lady at the door is always wonderful. Parking is easy and free, you do feel a bit exposed when you are walking from the car to the door, but what can you do? My only complaint would be the showers - do they really have to have the 'on-off' button which you have to keep pressing every 30 seconds? Small complaint though.

The Lady:

It is hard to put into words Zara's beauty. She is absolutely gorgeous. Her pictures do not do her justice. Beautiful face, and a body to absolutely die for. She is also VERY perceptive and responsive to the needs/desires of her clients. She can be sensual, and she can be the one in charge! Leaving aside her looks and abilities, she is also a really nice lady to chat to. She remembers her regular clients, and asks about things that were discussed at the last visit. Cannot recommend her highly enough.

The Story:

This was the 3rd or 4th time that I have seen Zara. Previously I had booked for 45 minutes or an hour. I decided to splash out this time and treat myself to the full hour and a half for £175. Very glad that I did, it was money extremely well spent. She is the only Lady I will see now at Ego. I have tried others, and whilst all are good, there is simply no-one better than Zara.

Upon her arrival into the massage room, she was her usual friendly self. I know that this is a professional experience, not a GFE, but she certainly made me feel that she was genuinely pleased to see me. After I had greeted her and kissed her hand, she invited me to lay on the massage couch whilst she undressed. Her massage technique is amazing - she can be soft and sensual but can also be a professional masseuse and get rid of the stress knots that I get. Her teasing was just fantastic. I am not going to go into all the details here, but she knows what I like and she provided it in spades. I was able to hold off for a long time, but when the finish did come it was truly amazing. I can't remember experiencing anything so powerful for a long time.

As we dressed and showered she was chatty and friendly, which is always nice after 'the event'.

I will always pay for the full 90 minutes with Zara in future, anything less is just too little.

Thank you, Zara, for such a wonderful time. I shall be back to see you soon, 'becasue you said so' and because you are amazing!
