Small flat on the high st, plenty of free street parking or you can park at Tesco's or Morrison's free for a couple of hours.

The Lady:

Petite lady, not much taller than 5ft & definitely the lady in the photos.

The Story:

Phoned on arrival & was given the passcode to the flats, then up a small staircase. A gentle knock on the door which was promptly answered by Erin. Shown inside & after sorting the paperwork & a shower, we made our way to the bed. A little conversation about what I like & dislike & a grin came across Erin's face. There was plenty of touching by both & some fk before Erin took control. I was told to lay down so she could ride my face, which was great. Erin was making all the right noises & then pulled my head tighter as I licked & sucked on her clit. When she got up, she grabbed my balls & gave a playful squeeze, I smiled so she squeezed harder, again I smiled. I don't mind this. My member was then spat on & readied for a nice bj, lots of spit & a slow bj while looking at me was only made better when a finger was brushed against my hole. Out came a toy which I was made to suck before it was lubed up & inserted in me. Erin sat between my legs, one hand on her toy the other stroking me. The harder she used her toy the more I liked it. As I was getting closer, I asked to cum over her so I could lick it off, but she said no, she wanted me to cum over my own face. I've never done this before but in the heat of the moment I agreed. So my legs were lifted above my head & I was made to walk myself off while Erin used her toy on me & telling me what to do. So with my mouth open & tongue out, it wasn't long before I gave myself a facial. We then wiped up most of the cum for me to eat. I love the look on the lady's faces when I do this as it is always unexpected.

The hour went by in no time & I find that this happens when you've had a great time. I will see Erin again & hopefully soon.
