The Lady:

Charlotte was slightly taller than me in her heels. Very pretty & busty.

The Story:

On arrival I was shown into the room & offered both a drink (water) & a shower, I took advantage of both. Soon after, Charlotte came into the room wearing mint green lingerie. Once the formalities were out of the way, we started kissing & fondling each other. It wasn't long before the lingerie was taken off & we were on the bed first I was given owo then I returned the compliment before we moved into a 69. Then it was on with the cover & started with Charlotte on top, watching her bounce on me was beautiful. From there we changed position a couple of times before moving to doggy, it was then I reached the point of no return, so off with the cover so I could shoot my load over her front. We had spoke about me eating my own cum, so I was offered the chance to lick my cum off of her, no way was I going to say no. I took my time & tried to keep eye contact with her while licking her clean & then being fed some that I had missed. After a massage & a chat, we tried again but with plans to see Apple later & time against us, I couldn't pop for a second time. This was the first time I had met Charlotte, I hope it won't be the last.
