The Premises:

Easy to find and access, nice flat which was clean and well maintained.

The Lady:

The pictures of Ruby and Serena on the website are accurate, I've seen Ruby multiple times before and her figure and beauty are sensational but I had never seen Serena in person, Serena is every bit as gorgeous as Ruby with flowing long dark hair, a gorgeous smile and a tight toned body.

Both ladies were very easy to speak with and friendly, everything felt natural and full of chemistry.

The Story:

This was my first threesome and whilst a gentleman never kisses and tells all the secrets I can say that this was the best punt I've ever had and was mind-blowing, amazing and incredible.

Ruby, who I've seen on several occasions on a one to one basis, is regarded as one of the current MK superstars so I knew I was going to enjoy her passionate DFK, body and skills set.

I wasn't sure exactly what to expect with Serena but having seen reviews and pictures of her I had a good gut feel and that I would enjoy the hour, Serena did not disappoint with an equally passionate DFK and beautiful body to tease and please.

What happened in that hour will stay between Ruby, Serena and I but I will say that the hour passed in a flash with some of the sexiest most incredible passionate DFK, OWO, RO and sex which I will remember as a truly superb experience with two incredible ladies for a long long time.

If you get the chance to book these two ladies who look sheer elegance, class and beauty with a extremely mischievous teasing and pleasing nature once the door closes do not pass on the opportunity!

Again, best punt ever.
