### The Premises:

Premises in Bletchley by the canal - easy parking, great location, room and bathroom was immaculate and sensual as always. The maids, very friendly and accommodating.

### The Lady:

Vannessa is a real goddess - amazing eyes and smile, the best body In the world and I'd say she looks even better in person than in photos, which, if you've seen her photos, you'd think this is impossible. But she really is very attractive. She's very confident and talkative and easy to make a connection with.

### The Story:

When Vanessa entered the room I was gobsmacked! I immediately stood to attention. She said hello and we had a good DFK and hands all over each other. I could tell I was going to enjoy my time with Vanessa. She gave me an amazing OWO, sloppy, sensual and dirty - I was positioned at the end of the bed with Vanessa in all fours and could see her juicy bum in the mirror. I couldn't resist spanking that peach! I love giving oral, so asked Vanessa and she jumped on the bed enthusiastically! She tastes fantastic and I could have spent hours down there. Getting Vanessa to orgasm was the highlight of the visit. We then proceeded to have the best sex of my life, doggy, legs in the air, missionary etc. after, we had a talk, hands all over each other, more kissing and some more foreplay. We certainly went over the 30 mins, but I wasn't complaining. She even re modeled her outfit for me as I wanted to appreciate just how good she looked in it... 1 hr after the visit and I still had a hard on! 10/10
