The Story:

i have used olina on a number of occasions but today i went for the duo option 2 ladies as i felt very energetic today, What a treat i had. both ladies at the door molly and cherry to greet me in very sexy underwear. i was ushered to the room where they both helped to undress me and make me comfortable. ushered me to the shower and gave me a fantastic assisted shower the both of them it was hands and mouths everywhere. dried me off and into the bedroom room all 3 of us naked . molly on my cock with her mouth and cherry sitting on my face ,wow, what had i let myself in for, they soon had me rock hard and swapped postions my dick was throbbing and i needed some pussy on it and molly duly obliged, she was on me cowgirl postition while my hands where all in cherrys sweet pussy , molly rode me until i asked for a change and put cherry on her back and fucked her hard , until i exploded inside her , they cleaned me up with wipes ,wiped all the sweat off me and the three of us lay down me in the middle , hands on my cock and me a finger in each of their pussies, i than had a double massage from them this was so erotic , hands, boobs, mouths all involved , it was all fantastic, when i was up to it we started all over again, me eating there pussy them taking turns to suck my hard cock me laying back and thinking why have i not done this before ,.After i shot my second load we lay down kissed and cuddled played with each others bits for a while , until my time was up, i showered again cleaned up and cooled down , they helped me to get dressed said good by with a frech kiss and a squeeze of my now empty balls and i was out the door , best hour i have spent in a long time , like they say 2 is better then 1 and i can vouch for that , i will be back for a threesum and soon .worth every penny
