The Story:

Third time I've seen Eden although the last was a year ago greeted like a old friend by Eden herself taken to the room strainto dfk while stripping off then onto the bed for more dfk I then wanted to perform ro on her lovely pussy which I know she enjoyed then my turn to receive owo which this lady is supreme at and it wasn't long before I had to stop her on with the cover and some very energetic cowgirl which I love eventually filling the bag with Eden milking every last drop before releasing me a clean up followed then a lovely oils massage finishing with a lovely kiss and cuddle for a true great experience,guys treat this lady with the respect she deserves and she really will give you a great time
