The Premises:

Nice Flat very near Marylebone station ,very easy to find

The Lady:

on olina website she claims to be 26 , on arrival i put her more like 36 or even early 40s

The Story:

i have met a few ladies from olina escorts as i do like the thai ladies , the lady i was looking forward to meet wasn't available so i chose crystal who shares the flat with the lady i wanted to see. It started off well in the shower as normal with all the olina girls , but after that it quickly went downhill for me, she gave me a great blow job to start but after that i was not impressed. don't touch her breasts or nipples , i'm too sensitive she says, now i like to eat pussy it's the best thing ever in my opinion, and i think i am pretty good at it in my humble opinion, but she was not having it , don't lick my clit it's too sensitive , don't lick too hard , i don't like it don't press too hard with your mouth , i don't like it , .Now for me this is all standard stuff when i lick pussy but she was not having it .

ok i say let's fuck i say , good old missionary position i say , i like to lift the legs up and see the old chap go to work but yet again don't go too deep it hurts, put my legs down it hurts don't rub my pussy i will do it she says, needless to say i was not enjoying this at all . i tried some doggy position but it was the same if not worse, don't hold my waist too tight don't touch my pussy with your hands , take your time go slow , not deep .

i stopped fucking her and lay on my back , she could see i was not enjoying the session , you don't want to fuck she asked me , Yes i said but you're not letting me enjoy my hour with you stop rushing me i say , i not rush you she says it's just i don't like certain things doing to me . you want more blow job she asks ,at this point we are about half hour into my hour , yes i say give me blow job as she was good at that at least , she was sucking my cock well and the old boy was standing to attention and lapping it up she was spitting on it and getting it nice and wet , so i tried some sex again me on top , but same old story. so i stopped got dressed and left , she offered me another shower but i just wanted to get out of there. i never leave a punt early especially with 20 minutes to go , but i had had enough of this dreadful lady ,

this is my worst punt with olina guess i just chose the wrong lady ,

No doubt i will be back at olina escorts again as i love the thai ladies, but i will give CRYSTAL OF MARYLEBONE A WIDE BERTH ,might even send olina a message to let them know how

dissatisfied i was !
