The Premises:

The usual well known place near Victoria - very discreet with booking required to be confirmed on the day. I was upstairs today but prefer basement – still, that's not exactly what I was there for.

The Lady:

Stunningly pretty northern lass. Very sexy, friendly and willing, a real gem!

Honey is a petite young lady in her twenties, with blonde hair and matches her photos although her face is blurred in them, much the pity!

The Story:

Extremely friendly and interesting young girl, asked what I wanted and was up for everything. Lots of proper kissing and no rushing whatsoever.

Honey has lots of positive attributes, but her pussy deserves a special mention, as it is perfect! Cleanly shaven, large labia (as I like) and very responsive to my eager attention - she came quite quickly!

This was followed by lovely unrushed OWO and CIM, as advertised, at no extra cost.

To summarise, I had a lovely time and have already booked a return match for next week - Honey is usually there twice a week but is naturally very popular so early booking is recommended (I did mine, discreetly I hope, on the train on the way home!)
