The Premises:

The place was nice. Available parking. A bit public and awkward when you're waiting outside. Inside was nice, the room was small but enough, with shower.

The Lady:

Zara is incredibly attractive. Really pretty face and fantastix body. Her breasts are enhanced, but nicely done. Her ass is phenomenal. But best of all, is her voice, just so soft and sexy. She's a smart woman with a lovely personality.

The Story:

First time to Ego. Had to wait around 10 mins inside, which was a bit awkward, but was eventually led up. Had a quick shower and Zara joined, instructing me to lay on my front, naked. She gave me a great massage and made chat getting to know me. She eventually used her body to massage mine. She's very good at what she does. Every now and then, shw would tease and reach under, which was a great turn on. She eventually turned me over and that's when things got really fun. Her body was absolutely incredible. She continued the massage whilst teasing her breasts over my face, then eventually working her hands down to me. She finished me off in good time. I can only wish the experience lasted longer and i could spend more time with Zara, she's cool, friendly and super sexy!
