The Premises:

A nice parlour tucked away in a parade of shops. Well appointed rooms, clean with shower and fresh towels, always a friendly welcome

The Lady:

Full figure, long dark hair, pretty and amazing boobs!

The Story:

Booked for Harley but she was so late I opted for Morgan instead who teased me for making her the second choice. Obviously been in the profession for a while given the skills she has! Great experience focused on my pleasure although I did make sure that she enjoyed herself too. Left with weak legs and a smile. Definitely recommended!
