The Premises:

Conveniently located a short walk from Bayswater tube in a hotel that feels more like a mix between serviced apartments and business suites. I was definitely there on business so I went in and knocked on the door number I was given. Inside the room it's big bed and a noisy air con with a couple of fans. Small shower sadly only big enough for one at a time.

The Lady:

Very attractive Thai lady, lovely smooth fair skin, no tattoos. Super sexy and when fully disrobed makes your eyes pop and jaw drop a tiny bit! Quite nice soft hair that's either tied up or let down. Probably about 5'5" tall as advertised on the website. Reasonably large breasts on a small size slim body with a peachy bum. Trimmed bush. Matches photos and even nicer in real life. Only been in the UK a couple of months.

The Story:

Entered the room, handed over money and had a little joke about that. I was allowed to shower and handed mouth wash afterwards. Before I could get near the bed I was jumped on for OWO whilst standing which was very nice. Then I moved things over to DFK just for a minute before a return to OWO. I had a great time administering RO on her which turned into a brief 69.

Dom on and then cowgirl. At this point I thought that with her in charge I might blow it quite quickly so I asked to switch to doggy. I started this slowly but inevitably I began to get closer to the edge. She politely checked if I wanted to finish in this position and because I did she turned on the dirty talk. I gave her a good slamming for a short time and that was it - done.

Rest of the time was spent receiving a massage, lots of chat and a bit of a cuddle GFE style.

Overall; a hot young Thai lady, able to chat and put you at ease. Accommodating and agreeable with everything necessary to get the job done.
