The Lady:

Katie is absolutely stunning! One of the best looking girls that has ever worked at Ego. She is petite, has some nice piercings [including both nipples] and some nice tattoos. She has incredible eyes, a lovely smile and is very pretty. Katie has an incredible figure, athletic body with a nice bum and boobs.

The Story:

This was Katie's first day at Ego, and based on her pictures I decided to book her in for an hour.

When Katie entered the room, I was blown away by how attractive she was! Katie has a bubbly personality and instantly put me at ease. Katie removed her Ego uniform and revealed her completely naked body.. wow Katie is hot, seeing her pierced nipples and lovely boobs is enough to turn you on.

I won't go into too much detail about the massage, however Katie was very accommodating and was willing to take my lead. All in all, a very erotic hour, with a stunning young lady.

For me, Katie is on par with Eve and is a must see. Already planning to go back this week for another round.

Definitely a great addition to the Ego Team. Until next time, J x
