The Premises:

Basement flat. Desperately needs a coat of paint.

The Lady:

Mid twenties, slim and attractive enough. Hygeine really really let her down. Was lounging on sofa when I arrived so obviously had time to freshen up but didn't. Glad only booked 30 mins. Pretty facially, slim, small natural boobs. As her pics show. Can't remember exact date visited

The Story:

Took her time coming into room, straight into OW, OWO not on offer fine by me. Toothy BJ but lots of eye contact and some ball attention.

Sex was great shes tight. Doggy fine but missionary up close and personal the BO/sex smell was too much. Didn't attempt any kissing. Opted for HJ to finish. Rough and I ended up doing it myself. She had no lube or lotion and appeared bored. Sweet girl but possibly not career for her.
