The Premises:

Easy parking, bedroom was nice, quite a big room. The bed is a little worn out as you can imagine. Everything was clean and tidy. The maid as always was polite and friendly.

The Lady:

Kassandra is possibly the most attractive woman I have ever seen - she really does give off a Penelope Cruz vibe and a slightly freckled face which I loved!

Kassandra was wearing a classic black lingerie set, her body is insanely hot - she is very petite. She somehow looks better than her photos, but really, seeing her in front of me was what I was expecting! She's very well spoken and comes across more sensual minded. With high heels on it's hard to tell her height but she was still smaller than me so I'd say roughly 5'7" - Kassandra oozed that Hispanic beauty

The Story:

Kassandra entered the room with the most sexy lingerie on. Greeted with a soft hand shake and a kiss and some general conversation. I got on the bed and she asked what I liked - I told her I loved giving oral so proceeded to go down on her. She has the tiniest but most gorgeous p**sy - clean shaven and very well kept. Kassandra tasted divine! She preferred a slower, more gentle touch and I loved this... it was different!

After some soft moaning and her heels pressing into my shoulders I was rock hard and Kassandra gave me an erotic bj which left me tingling. Eye contact and smiles added to the experience. How she positioned herself also meant I could see her whole body.

On with protection and a very hot, sensual sex session began. Starting in missionary, I could feel how tight Kassandra was - we changed to a few different positions and moved on to doggy, but I really wanted to let loose - she looked so hot from behind, but I wanted to finish on top. Moved back to missionary, some light kisses and I could enjoy finishing seeing Kassandra in all her glory.

Had a good talk after and left very happy.

In all, a very sensual and erotic time spent with Kassandra. I left with the biggest smile
