The Story:

I book myself to try this new girl, she was upstairs, the maid welcome me, and straight to the room, Jennie is a young (Taiwanese she told me) lady, kind of tall, even without any high hills, tits are flat, non exist, and the nipples tiny, long hair with highlights and swimwear that looks nice on her...., the body and legs is kind on the flat style, but with a perfect ass and shaven, she started before she even took the money to kiss me endlessly, the she ask me what I like, I ask for 69 and positions, we continue kissing, and move to bed, then she offer a quite prolong and good owo before we move to 69, oh boy she can deliver on that and make real noises ! We keep like that for very long, then on with my condom and she lie down with me on top, but before she use gel, the only problem is she use her long legs to prevent deep penetration, but only in moments, after she is fine, I stand then and ask for doggy, there she again lift her back to prevent deep penetration in a way, but i manage to proceed, (it seems she is a bit sensitive down there), but if you go slowly she comply, out of all of that accidentally I penetrate her ass for few seconds and immediately pull it out and cum like that...Looking at the time I was there for 35min fucking, and she turn around and continue to kiss me ! I had to stop her in order to dress and leave ! On the exit she continue DFK !!, What can I say a really good girl and also all this time she had intense eye contact. So there you have it a woman full of energy.
