The Premises:

Amanda is in a Bayswater serviced apartment a short walk from Queensway tube station. The room is small but adequate with a decent shower just off the room.

The Lady:

Amanda is a slim and fairly tall Thai girl, in her late twenties. She has a pretty face and a lovely figure, with long slim legs, lovely boobs and a cute bottom.

The Story:

She greeted me wearing a nice bra and pants set, and a kiss and a hug. We then went for an intimate shared shower before returning to the bedroom. She immediately knelt down and gave me a great blow job. On to the bed, and a nice relaxed session of mutual oral, 69,rimming etc. We were both ready to fuck and she climbed on me in a great cowgirl position until I climaxed. In the time remaining she gave me a nice massage and intelligent conversation.
