The Story:

I originally booked a three girl with Elizabeth but sadly this didn't happen on the day, more annoyingly, when I called to confirm the booking the maid booked in Jess in place of Elizabeth but I didn't hear. I left my house with the correct cash and left my wallet at home, when I rang to advise I would be a bit late due to traffic and realised Jess had been booked in I had to cancel her - unbelievable opportunity missed, especially as I still haven't met Jess! Happily Kris and Bunny were everything I needed. I will definitely be booking Jess next time....

I haven't seen Bunny for some time, she's just as sexy and naughty as I remembered, Kris provided the perfect partner in crime as the time genuinely flew by!

I don't think my tongue rested the whole time and both girls didn't rest until we were all finished.

Gutted not to have had Elizabeth or Jess join us but still had the time of my life, can't wait to return!
