The Premises:

Bletchley location - maid was very helpful, clean premises, fantastic accommodation.

The Lady:

Lucy is stunning and has an amazing body. Lucy is very petite and has a great bum with perfect petite boobs! Lucy has few great tattoos and she wore a very sexy outfit. Lucy has a great cheekiness about her and a nice personality. She comes across as a shy girl gone bad and she's such a tease. Also Lucy has amazing eyes. I'd say the description of Lucy on the website is very accurate - A cup breast size and around 5'6/5'7" - definitely cute, (but naughty) modellesque looks. Lucy is definitely a temptress!

The Story:

Lucy came into the room and looked very sexy. I was excited to see her, as I've wanted to see her for a while now! We spoke a bit, got comfy and went over what kind of experience I'd like to have with her. With that out the way we proceeded with some light kisses, before Lucy made her way down to give me oral. Lucy gives some seriously good oral. Spitting on my member and hand job all part of it. Lucy really took good care of my d*ck. We switched to 69. Having Lucy give me oral while I enjoyed tasting her was the best. I don't think it could get much better than this... but it did. I asked Lucy if I could give her more oral as I was about to explode and I wanted to enjoy giving Lucy oral some more. I loved giving Lucy oral and hearing her moan. After a while it was all too sensitive, her legs were starting to shake and we got down to having sex. After wrapping up, we had sex in missionary, with some more light kisses, doggy, which I loved, as Lucy has a great bum to grab hold of. I had to finish with Lucy on top! The thought of Lucy riding me was such a turn on. It felt like I was being ridden by a goddess! Finishing off in Lucy left me feeling amazed!

After a clean up and some more general convo, Lucy showed me to the door.

Lucy is a goddess. So gorgeous and great fun to spend time with.
Will definitely have to see Lucy again and again.
