The Premises:

Her own house on an estate to the west of Carlisle. Middle class area but a fairly discreet. Plenty of street parking.

Also operates from hotels in Carlisle city centre.

The Lady:

Very attractive well upholstered and proportioned milf. 100% natural long dark hair. Very nice lady.

The Story:

I have seen Crystal X several times. Always excellent communication.

The big take away is that Crystal loves sex, she always tells me so. And she loves spunk. She seems to love every aspect of sex, and never wastes any time getting down to action. Sessions normally start with some foreplay including great kissing. She likes it if you really appreciate her body with your mouth and tongue and will do the same for you.

Crystal loves a good plating so get your face down there. She has even squirted into my mouth on a couple of occasions. In return she delivers a great BJ. Did I say she likes shagging? just to be sure save yourself for whatever position she wants.

To finish off I always cum in her mouth, which she really enjoys and she has ways of making you have a great cum.

There's usually time for a relaxing massage and a bit of a chat, I dont know if she makes notes but always remembers her clients like friends and knows what to chat about.

They only downside is its a bit of a wham bam thank you man. But what a wham bang. Not quite a GFE but an excellent experience altogether.
