### The Premises:

At the usual place in Bletchley, apartment is tucked away and very discreet. The room was very nice, clean and has such a sexy vibe.

### The Lady:

Chantelle is absolutely gorgeous. Great body and superb boobs!! Loved all the tattoos. Chantelle just blew me away. Tall, slim and definitely has the best boobs

### The Story:

Chantelle entered the room, oozed sexiness and confidence - I swear I could have exploded just looking at her. We spoke briefly and began having some hot fun. She started kissing me all over and into a great BJ. Chantelle is very skilled at sucking d\*ck and I loved it so much I almost let myself cum - but I asked if she received oral, which she thankfully does - absolutely loved licking and sucking Chantelle's p\*ssy, she tastes great and it all looks pretty spectacular down there! Looking at her up and down - what a treat for the eyes! On with protection and wow done enjoy fu\*king Chantelle, she feels great and makes some very sexy noises. Chantelle makes great eye contact and just looks at you like she wants to be fu\*ked. I feel a bit embarrassed as I did not last long. Some missionary and a few other positions and when the legs went up in the air, it was game over. Still I had a great time. Had a massage and a chat after, Chantelle is down to earth, naughty and omg is she sexy.

Will have to see her again x
