Pictures as described. Jess is stunning. Natural body, amazing ass and soft skin.  
She looks her age has a tight body all around

### The Story:

I was led into the room by Jess who greeted me at the door wearing a towel. She left me in the room for a short while to undress and freshen up and then she returned wearing a red thong set. Her body is incredible and made me instantly hard. She is a girl that puts you at ease straight away. She started French kidding me while I grabbed her ass and undone her bra. We moved into the bed where the kissing continues, while I moved onto her boobs and sucked her tasty nipples. She has sensitive breasts and I feel she enjoyed it. Jess then asked me what I like and by now I was itching for action. Jess lay next to me and gave me the most amazing OWO. Alternating between shallow and deepthroat, while using her tongue to hit the spots. I had to tell her to stop otherwise I would've cummed. We then moved onto missionary. I wanted to look at her face while I fucked her. We kissed throughout, a true GFE. Watching her boobs bounce was a sight. Onto doggy as I wanted to grab her ass. One of the best around, the site of it while I fucked her deep meant I couldn't last long. I cummed inside her on my rubber. It was an intense orgasm as her pussy was so so tight. I had some time left so I asked Jess if she could give me a massage. This wasn't great and at this point even though I had 10 mins left I felt we were done. I left a happy man
