The Lady:

Just like her pictures! amazing looking, only different to her pictures is she has a few tattoos that I guess have been edited out but that wasn't a problem for me. Imagine a young Kirsty Gallagher

The Story:

Booked a short notice 30 minute session with Jess, she has been on my list for a while but I dont go to Ego Massage very often, shown to a room and asked if I'd like a drink, Jess then brought the drink up a few minutes later.

In she walks, wow just as per her pictures, looks wise shes gorgeous. She gave me a proper massage but included lots of body to body, rubbing her nice size boobs everywhere, she also stands just above your head so you get a good view! Lots of rubbish between the legs to get you excited, turned over and more body to body before the grand finale, lots and lots of eye contact as well which is a huge turn on!

Definitely worth visiting.
