The Premises:

A modern 3rd floor flat in a modern block. It was about a 5 minute walk from Island Gardens DLR station. It was very clean inside and there was a shower facility.

The Lady:

I'm not sure it was the girl profiled, but she was young with the same body shape. She was friendly although we didn't talk much.

The Story:

I really enjoyed my time with Anastasia. It was an easy location to get to and the flat was clean and spacious. I accepted the offer of a shower and when I entered the bedroom I laid on the massage table. Anastacia disrobed her dressing gown while I was laying down and I had to wait until the turnover moment before seeing her naked. The full body massage with oil was firm and relaxing. There were a few body glides and I could feel her breasts on my back. During the massage there was some relaxing music playing which soothed me even more. When the turnover finally arrived my eyes were immediately drawn to her perky upward pointing breasts and pink nipples. I did manage a brief lick of both nipples and settled back to squeeze her bum while she was masturbating me. I came fairly quickly and I was completely satisfied. I used the towel to wipe the oil off my body, got dressed and made my way home.
