Holly is sexy as hell fit body beautiful plump ass and the greatest BOLT-ON Breasts seen in long
time out there nipples
ok so start i had a shower always do when offered which she stayed in room and we spoke
explained does dont's and what i needed
a sexy fun time GFE * Boy did i get FULL GFE

A Smooth sexy rub down while she looked over my body
turn over and her small hands on my waking up cock . which she made a sweet comment on
we lay there touch each other all over her pussy i believe was getting wetter by the second while i
explode her body kissing as much as could her was breathing heavily as i kissed and played with
her clit,

she then want to taste my cock & wow she did give a GFE Blow job she really really handled and sucked my cock like a loving girlfriend almost like a GF After "the ring" but this was her tongue bar sliding down my shaft and at one point which made my toes curl the tongue bar ball on in-sh my japs eye,, Holly really wanted THE RING LOL

i wanted to kiss her more (who says boys don't kiss girls who wear glasses) real turn on we face to face her tongue bar in my mouth am loving it / her we had passion at pace then she told me she really did like to 69

Am not stopping her .. i needed to taste her even wetter pussy again .. seeing her clit love hole and bumhole all gleaming was a treat she had and was enjoying what i was doing with her ..

we had a side to side in the mirrors she likes her body and so do i .. we that moved around & i lifted her on top of my shaft & she slid down it & gave a nice squeal as i reached deep as i am able inside her, she clenched her tight pussy on my shaft and rode me ever so often come face to face and then back up then ride me and feel me push deep into her we continued like this a good 10mins her riding and pussy Pulsing on my until i could hold back no more i came so hard i ripped the bed cover up away lol she felt it & squeezed the last drops out of me .. we slowly parted she looked at the full filled rubber looking pleased with herself and she took it off

my cock still rock hard she gave a little touch a think thank you

she offered me a shower i took it
was then a knock/shout at door . we was OVER TIME

I Told her how great she was and promised to return asap

which will Holly is amazing
