The Lady:

Tall girl, cracking body with long legs, straight hair, very small tits, looks young.

The Story:

Arrive 5 min early I greeted by the maid and Ginevra, I give her a kiss on the mouth, and went straight to bedroom.

I switch off an annoying radio, I don't like distractions, and I like to hear the lady's natural sounds....

Ginevra come straight, wearing a fantastic yellow bra and underwear only, and with some high heels, she started kissing properly in front of the bed, and I had a chance to explore and touch her body everywhere, then I remove her bra, I ask her to get rid of the high heels also...I kiss her small nipples and they are responsive.

Then in front of the mirror she drop down where she took me owo, I push gently her head progressively until she gasp for air, very nice owo...

Then she stand with hands on bed where I play a little with her beautiful ass, I move myself on the bed, she lay a new towel and I ask for 69, what follows was almost 15min of 69 where I have to stop her before I come in her mouth, she make nice noises and seem to enjoy me also play with her pussy, I got up and standing I ask for her to lie down and I took her missionary, she is tight, and she instantly took a comfortable position with her legs on my shoulder, I think her legs are the best feature, long and model like !

Then I ask for some doggy with me standing again, and this was not easy to insert, she still was tight without any lubricant also, and of course a bit dry after so much leek in 69, just slightly wet.

Then the make more noises and I was holding her hair while we fuck and I finish like that, nice girl with a smile and chatty, she said she is Italian, I will visit again. I was there almost 40min....well worth the money, only that nickname she chose is difficult....
