The Story:

Horrible.

Caitlincacece has over 500 good reviews on Adultwork, so I thought it was a safe bet.

Communication was excellent, quick, friendly and accommodating.

I wanted some Dom, with a bit of roleplay - which she was happy to do.

When I arrived, I had trouble finding the flat so I called and then video called.

I was walking to the front door, she asked to see the door to ensure I was at the right place - this was a bit weird as I walked there whilst on video with her, so she could see where I was going.

She said "that's it" and then I waited (still on video call). I asked for the door code, and I thought the video had frozen as she didn't seem to hear or understand. I asked twice more and finally I got a reply, the video wasn't frozen.

Once I got into the flat, I got a bit concerned. She has a huge stream of SNOT running down her nose. I told her and she said "YES" and then wiped it on the back of her hand - but gross.

She seemed drunk or high or both. She had white powder on her face, I wasn't sure if it was bad make up, snot or coke !

I paid her and reminded her to start the roleplay, she disappeared to stash the cash & then came back into the room staggering.

She just stood there and put her hand out for cash ? I said that I had just paid her 2 mins ago and she put her hand down and just stood there.

I asked if we should start and got no response.

There was no role play, nothing I was asked for was done. I had booked an hour, but I didn't want to stay there.

She was staggering around, so I just eased her onto the bed, fucked her and left within 20 mins.

Didn't seem to care about me leaving early or really understand anything.

AVOID. I don't understand how she has 500+ good reviews, unless I caught her on a "high day".

Total waste for £150.
