### The Premises:

HoD in Victoria, short walk from station, easy to find. Basement flat, tidy as usual. This time it was the room at the end of the corridor, relatively spacious

### The Lady:

Stunning. Matched her Twitter photos really well, gym-fit petite angel. Eden has the typical hot MILF look, this was my second time meeting her and looking at the Twitter posts the day before sent me over the edge and I HAD to meet her. This was my second meeting.

### The Story:

Called day before to ask about availability and booked the appointment. Usual protocol with calling on the day in the morning to confirm the appointment.

Walked in few mins earlier and was let in by Eden wearing stunning yellow lingerie. Took me to the room and brought me some water. Went out to check paperwork and came back on time.

She returned with a naughty, kinky look on her face as she came up to me and we started DFKing as we explored each other's bodies. Clothes eventually started to come off and it was time to get the action started.

Onto the bed where Eden gave me the most divine oral, full eye contact, attention to balls, scratching the inside of my thigh etc. It was simply amazing. Doesn't get better. We then moved onto 69 which she seemed to enjoy.

On with the condom and started in cowgirl first, very passionate. We moved into missionary where I was feeling particularly energetic that day. Came inside within a few minutes but I knew I could go again within the time we had left so took a little break. Eden offered a massage which I accepted. She left for a minute and came back hair tied up with bottle of oil in hand. She gave me a decent massage (I appreciate the effort) and we chatted for a bit.

I then asked if we could go again and she was more than happy to. Gave me OWO to get me going.

Became rock hard within a minute. Started DFKing and all the kinky talk just got the juices flowing. Eden really knows how to tease and turn me on. Missionary again followed by doggy which was amazing. Pounding away till I felt I was close. This time I wanted to cum on Eden, so removed the condom and started stroking. She sucked my balls and scratched the inside of my thigh, began touching herself and moaning as I finished by unloading all over her tits. Finished by thanking her for the great time and left with a smooch. What an experience, will definitely see her again.
