The Premises:

First time for me at this parlour. Must say, very impressed. Couple of nice ladies on reception & the place just felt like a step up from your typical parlour. A bit more quality & not quantity. I now know what a parlour should be like & no disrespect to the MK bunch, but this felt far better.

The Lady:

OMG! I may well have used that expression before, but Layla is lovely. I do prefer a lady to be either very late 30's or into their 40's. Layla ticked my age group, but she's stunning, lovely boobs, bum & a gorgeous face. But her personality is also fantastic, a real down to earth attitude & lots of fun with it. She had the ability to make me feel special & fancied - if she could bottle & sell her personality she'd be minted.

The Story:

In all honesty I was a little worried about this booking. Firstly, I'd never been to this establishment before, secondly, no reviews for Layla on Punternet, a source thats usually pretty reliable, thirdly, no services mentioned on the website & it states her age as 40's, which with some establishment means she's retirement age! I needn't have worried, Layla is so so lovely, within 5 minutes of her entering the room I knew I'd made the right decision. As always, no nitty gritty, but she did everything I wanted, expertly. If anyone is reading this, as much as it pains me to say it, but don't bother with other ladies, Layla is so lovely. Fingers crossed no one reads this & she's left to me! Now, let's check my diary to see when I can next get to Lutterworth. If you're reading this Layla & you've not already worked out who wrote it - it's the postman who delivers chocolate!
