### The Premises:

Usual Victoria Flat in the upper level. Maid was lovely and friendly.

### The Lady:

I mean, I guess she can be hot. Bodywise she is short, too brown for my taste, and with fake tits. Personality wise, I think she is quite nice, but unless she knows you from before, she is rather cold and distant.

### The Story:

Kat received me fully naked and immediately got to the deed, without much talk or else.

It was rather mechanical, and sad sex.

If you want your cock to be sucked, and a body to shag, she is your girl.  
Grab her nice butt and ride her until you come and that's it. Some guys might like this, but I didn't.

Maybe Kat didn't like me, and that's OK. If this was the case, she was very good at getting things done.

But in all honesty, I could have stayed home and had a wank watching Alessa Savage getting rammed.
