The Premises:

The new place in Fenny Stratford. Directions received in the reply text message, just a short walk from the older place. Definitely a less discreet approach & entrance than some might want. However was let in straight away by the friendly maid, shown to an upstairs room & offered a glass of water. Spacious layout with double bed, couch, chair & a full-length mirror plus en-suite bathroom. Clean & tidy in both rooms. Made use of the shower, which is starting to fall into minor disrepair, when Vanessa arrived in the room & came to say hello.

The Lady:

Vanessa is an attractive Brazilian brunette of average height, pretty face with a nice smile, a shapely pair of (I think enhanced?) boobs on a lovely figure with an amazing bum! Most importantly, her attitude & outlook are second to none. Professional without being business-like, nothing was too much trouble for her during my hour (& I got the full hour with maybe a little extra too) with her & it was obvious that not only did she enjoy her work but was very good at it too. Great communication all the time mixed with real passion, I felt incredibly relaxed in her company.

The Story:

After I dried off from my shower Vanessa removed her classy lingerie set & was instantly all over me. We kissed passionately as if we'd know each other for years, both pairs of hands roaming over the others body before I gently pushed her onto the bed so I could go down on her. She seemed to enjoy my efforts & responded positively to everything I did, whether I took the lead or checked first to see if it was ok. After a while it was my turn to experience what she could offer me with her mouth & she seemed determined to show me everything she could do in that area! Pretty soon it was apparent that we should take it to the next level, so Vanessa expertly applied the condom to my impressively hard member & we proceeded to fuck like animals in all the best positions, pausing now & then only to rearrange ourselves on the furniture or in view of the mirror! Eventually it was time to finish & she coaxed an explosively intense orgasm out of me, then lay with me on the bed chatting while I recovered. Just when I thought it was all over she followed me to the shower & washed me down in what was a perfect finish to a fantastic hour. We even received a stern knock on the door from the maid for going over time, which Vanessa laughed off proving that she's all about the service! I had one of the nicest experiences of my punting career & will certainly revisit this stunningly gorgeous woman. A real treat. Highly recommended 10/10
