### The Premises:

The flat in Victoria described a million times in other P'Net reviews

### The Lady:

Described on her P'Net profile as being Taiwanese but in appearance could pass for north east or east Asian with possible Caucasian admixture somewhere in her not too distant family history, attractive, early 20s, slim, average height by European standards but above average for east Asians, very small breasts, small areolae, fully shaved between the legs. There was little dialogue between us so I wasn't able to assess her fluency in English but she had no trouble understanding anything I said.

### The Story:

Jenny went straight to the top of my must see list when I read the following statement on her P'Net profile:

"Young Taiwanese girl Jennie has rapidly become one of our hottest and most IN DEMAND ladies! Men are going wild for her and feedback has been excellent!"

The veracity of this statement was proven within microseconds of her entering the room when she threw her arms around my neck and embarked on dfk. After several minutes, I asked her to clear away the banknotes that I had placed on the bed so we could lie down. I was to very quickly learn that giving her instructions got the best out of her hence "suck my cock now" (which was owo), "lick my nipples now," "lick my balls now," "kiss me again," "lick my asshole" (£20 extra), "lick my balls again," culminating in "suck my cock until I come in your mouth (£20 extra)." Upon receiving my requests she would look at me and beam as if to acknowledge that the message was understood.

I asked for the finale to commence with 15 minutes remaining but it took seconds rather than minutes to reach the climax which lasted an extremely long while. Afterwards, she tenderly cleaned me up before disappearing into the shower leaving me lying on the bed in a blissful state.
