The Story:

I walked to the apartment as normal went to the room and waiting for Anya to come, didn't wait long till she arrived and we hit it off all over again we didn't realise it had been almost a year since we saw each other last - we caught up on everything while I was having a massage by her that was really good and lots of effort. We chatted so much and put me at ease straight away - after the massage Anya stroked me on my chest and then played with my dick for a while and asked of I wanted to do the main part which I said yes.

We started with OWO which I like it to be sloppy and Anya knew this from me previous visit, it was sooo good I felt fully relaxed and enjoying the attention making me hard - we tried all sorts of different positions and tried a new one I wanted to try which we didn't get the hang of so we went for the classic cowgirl then doggy.

After I cum we chatted again about so much making it into a really enjoyable experience for us both for the hour.

Said our goodbyes and I left.

I don't know why she don't have more reviews and for me personally Anya is in my top 3 escorts I will now only see because of how much of a good experience she provides and service.
