### The Premises:

The venue was a neat and tidy apartment in the Central Hub shopping district of Milton Keynes. It was discreet to enter and easy to find. The bathroom was clean. There was a helpful full length mirror.

### The Lady:

Abbey is English, 21y, 5' 6", size 6, 34A natural (AE says 32C. she is certainly natural). She has long dark hair, which is dyed in large prolonged, vertical blonde sections. She is very slim, with a lovely pert bum and shaved pubic hair. Abbey has a large tattoo on one thigh which is not unsightly and some other tattoos that are not particularly evident.

Apart from the purely physical activities, Abbey is easy to talk to and has a very much 'girl next door' manner.

Abbey did not present herself in the usual AE uniform of tasteful matching bra and knickers.

Instead, she wore two garments. The first was a dark blue, sheer blouse. Its dark colour, coupled with her small breasts, meant that it was not immediately obvious that it was sheer and showed her breasts. The second garment was a light grey thong, also sheer except for a diagonal square of solid material that just covered the essentials, with wide diamante side straps and a very thin grey back strap, which effectively left her buttocks bare.

I had met Abbey before, when Abbey also did not wear matching bra and knickers. Instead she wore a long, coral coloured cotton camisole which covered her breasts and went down to the bottom of her bum and underneath she wore some appealing bikini style knickers in a slightly deeper shade of pink, saying that she always wears pink or black knickers with a pink top.

### The Story:

This was a two-hour session, my previous one hour session having been a great success.

To begin, Abbey stripped off her sheer blue blouse and undressed me down to my underpants and lay me on my tummy. She sat astride me to give a highly professional back and leg massage, which she had learned in college. The tactile sensation of her hands was enhanced by movement of her effectively bare bum against mine.

Massage over, she took off my underpants and went over my knee for a very light hand spanking. Foreplay commenced with me on my back and Abbey skilfully playing with my nipples, following which she leaned forward for me to fondle her breasts and suckle her firm perky nipples and then masturbated in front of me. Reverse oral was next. She sat on my face and then turned round into the 69 position. I licked her further while she played with my balls, without sucking my cock as I did not want to come too quickly.

As an aperitif for the endgame, she performed lovely restrained fellatio with me seated and her kneeling in front of the mirror to again showcase her slim back and peachy bum. I went on my back again and she put me into her. Initially this was reverse cowgirl, again showing her slim back and peachy bum but this time also the saucy, small, dark crater of her bumhole. Finally, she swivelled round, positioned herself over me and gently slid right down my cock and proceeded to ride me, whereupon I came very quickly.

As a final comment, I am no spring chicken but I was never aware of any incongruity and Abbey gave no indication that she was not perfectly happy with everything.

To summarise, this was a brilliant session with a highly recommended, charming young woman who gives an excellent unhurried service.
