The Premises:

Usual HOD building, first floor. The fan they had in the room during summer is now removed which is a shame. Since my last visit HOD has increased their rates by £10 for each time bracket.

The Lady:

So this is my second time with Emily and I must emphasize she has beautiful eyes and gorgeous hair. Body wise just check her photos on the website, it's exactly what you're going to get.

The Story:

As I said above, this is my second time visiting her, and the only other lady I've visited twice so far was Charlotte.

And for a second time I didn't get to finish, and I'm still wondering how in the world that happened as I was greatly enjoying myself.

Started with kissing while standing, somewhere between LFK and DFK, she let me kiss her body. Continued with a OWO while I was standing, moved onto the bed for some more. I asked for a 69. On comes the condom, and she starts riding me, move onto doggie against the mirror, which is a must-see view, and some missionary until break time. It might be because it got fairly hot in the room or the creaking of the bed (especially in doggie), I didn't finish.

We had a chat for 10-15 mins, and it was a lovely chat, Emily is like a pure energy ball. Just looking into those big beautiful blue eyes while chatting is incredible. I feel like this is as close as a punt can be the real GFE.

Round 2, starts with OWO, then continues with her riding me and another round of doggie. She tried to finish me off with hand, while it felt awesome, I just couldn't get to the climax point.

Looks like she will be the first lady that I go back for the third time, as Charlotte is off the grid for some time, and this time I'm for sure going in to finish what we've started.
