### Details of Service Provider:

**Profile Name:** Annabellas MK

**Website:** <http://www.annabellasescorts.com/home.php>

**Phone:** 01908234646

**Phone:** 01908711821

### The Premises:

Easy parking and easy to find. Fairly discreet location. Building is a bit "aged" but nonetheless the room is nice, clean and spacious. The maid was very courteous and welcoming.

### The Lady:

Gemma is HOT HOT HOT. Very beautiful and an amazing body. Profile photos are very accurate, but Gemma really is a sight to behold in person. Sensational boobs, gorgeous eyes and lips (both of them) and a very cheeky bum. Gemma is also quite flexible.

### The Story:

Gemma entered the room, and after a brief introduction and handling the essentials, we quickly moved into action

Clothes hit the floor, and soon, Gemma's mouth was on me. Her oral skills were unbelievable-wet, sloppy, and intense, with just the right blend of teasing and focus. Her tongue worked its magic, flicking and licking, her hand stroking in sync. She locked eyes with me, switching from slow and sensual to deep, fast, and erotic, leaving me utterly captivated.

We moved into a 69 position, and the view alone was mesmerizing. Gemma's perfect ass and wet pussy right in front of me as she continued to work on me with that skilled mouth. The taste of her was intoxicating, every moan making me want more. I took my turn, devouring her while savoring her reactions, her body quivering. Her inviting breasts, felt amazing in my hands as her moans urged me on.

When it was time, the protection went on, and Gemma welcomed me with her incredible flexibility. I slid into her and to me, it was electrifying. She met every thrust with passion, her eyes locked on mine for the whole duration, making the moment even hotter. As I finally came, she gripped me tight, her body contracting, milking every last drop as I released in a pulse of pure pleasure.

My take home -

Gemma is beautiful all over and a great conversationalist.

Amazing oral skills  
Tastes amazing  
Great sex  
Very responsive
