The Premises:

The venue was a conveniently located apartment in the Central Hub shopping district of Milton Keynes with acres of adjacent parking. The apartment was well-kept and the bathroom was spotless.

The Lady:

Lissa is African ebony, 32y, 5' 6", 34B with appealing nipples, size 10/12, dark hair, fully shaved. She has a big, firm, rounded bum and a lovely, beaming smile. I did not notice any piercings or tattoos. She speaks perfect idiomatic English.

She has a firm body and very smooth skin and an easy, unforced smile, with her eyes as well as her mouth. Lissa was friendly, spontaneous, engaging and keen to please, doing little dances and twerking against me. The Annabella's Escorts website photos give a good impression of what she is like in looks and personality.

Lissa wore a complicated one-piece which incorporated brief style knickers and lace. She wore no hosiery but offered to put some on if I wanted, which I did, so she rolled on some black stockings.

The Story:

Initially, as an icebreaker, Lissa remained in her costume, kissed me and took off my shirt and stroked my chest and gently played with my nipples, with her fingers and lips.

Introductions over, I asked Lissa to assume inspection positions.

Front at attention ie facing me, hands behind her head and standing straight with legs together.

Front at ease ie facing me, hands behind her back and legs apart.

Rear ie facing away from me touching her toes.

Legs ie with her back on the bed and legs vertical during which I kissed her feet and sucked her toes

Groin ie with her back on the bed and her legs spread to make a 'V'.

Lissa repeated the positions twice: in her underwear and naked.

Between underwear and naked, Lissa removed the rest of my clothes down to my underpants took off her bra and, just in the lower part of her one-piece, gave me her breasts to fondle and suckle. When naked in the Groin inspection position, she held her labia apart to show her clitoris, urethra and the entrance to her vagina.

Foreplay comprised a prostate massage, cunnilingus and fellatio. Lissa gave me a prostate examination lite ie she just fingered around the entrance without penetrating. She asked me if i wanted one finger or two, and pushed two fingers inside the condom. Next, we went into the 69 position for cunnilingus. Lissa then performed oral on me, with me standing, facing the mirror. She knelt with her back to the mirror, giving me a view of her front and back. Her hair was in a scrunch and I held it while she fellated me, maintaining eye contact.

Finally, completion was achieved in the doggy position with Lissa kneeling on the bed and me standing behind her. It did not take long.

To summarise, Lissa gives an enthusiastic full GFE, is open to most things and is as obliging as she is fun.
