### The Premises:

The venue was a quite spacious room in an apartment in central Milton Keynes. The bedroom and ensuite bathroom were clean, neat and tidy.

### The Lady:

Chelsea is Latvian, 27y, tall at 5'8", size 12, long blonde hair 36DD natural with well-defined upturned nipples and fully shaved. She has a small tattoo on her belly.

Her English is pretty fluent. Chelsea is not particularly chatty, but she is not at all sullen and she is willing enough at providing the services.

Chelsea wore a short, summery dress patterned with small flowers. Her shoes were strappy black high heels. Underneath she wore an intriguing, complicated bondage ensemble, all in black. I was not able to work out exactly what it was until she removed it in stages. It comprised a bra, a collar with a vertical strap going down her cleavage to some horizontal straps that went round her back, a tiny thong that only covered the essentials and a suspender belt attached to fishnet stockings.

### The Story:

I had told the receptionist that I like a bit of light domination, hence presumably the bdsm lingerie. We commenced with a hand spanking for me, firm but too harsh.

We then moved to foreplay for about an hour which included: several fondles of her splendid breasts and suckling her nipples; a massage of my back, legs, neck and shoulders; extensive nipple play on me, where she alternated well between tenderly caressing them and giving me an edgy but not harsh little nip for contrast; she sat astride me, masturbated and held her labia open for a good view of her clitoris and vagina.

I had not encountered fishnet stockings before and enjoyed Chelsea's. As I stroked her thighs there was a continual lovely contrast between the nylon of her patterned stockings and the smooth

flesh of her firm thighs.

The positions used to close off the session were: fellatio in front of the mirror, when Chelsea held my gaze well; cunnilingus, initially with her sat on my face with her hands on the wall and her crutch over my face and then facing down me in 69 but without Chelsea fellating me; and cowboy to finish, when I came quickly.

To summarise, Chelsea gives a good, honest, erotic, full personal service, fellating well while holding your gaze, and with the added bonus of light domination in bondage lingerie if such is to your taste.
