The Premises:

End of terrace in one of Telford's housing estates. Very quiet and safe.

The Lady:

Blond hair, attractive with very nice firm boobs. I'm no good at estimating sizes, but it is a very sexy package.

The Story:

This was actually my first time at paying for sex! It won't be the last.

Helen was very friendly and soon calmed me down. She met me at the door in a mini skirt and slinky bouse, and we french kissed quite passionately. Then it was upstairs to the bedroom.

I am not going into all the details of what we got up to. Take it from me that the sex was excellent. I have never paid for it before, but this was better than any of my previous experiences. Her BBBJ is excellent and she has a friendly manner which put me right at my ease. I am defintely going back soon!

Incidently if this is the standard of sex you when paying for I feel as though I have wasted the past 20 years. Never mind I'll have to do my best to catch up!
