The Premises:

I have used Milton Keynes Escorts repeatedly and they always use premises very suited for purpose. This location was at an industrial estate, which means finding it the first time can be difficult, as its entrance is side access to some shops and then you have to find the correct unit. Parking can be difficult as there are no parking allocations, but luckily today I found a spot. Once entering the premises, the décor used means it practically feels like a walking in a house. The bedroom is always clean, and well presented.

The Lady:

Jennie was a very attractive girl, and her pictures do her justice; she was friendly as well and not very talkative. She was certainly Asian as mentioned in her profile; this is not so apparent in her photos as part of her face is blocked out for privacy. I would say she was a "goer" and eager to please as she was willing to engage in DFK properly, which took me by surprise as sometime the ladies can be a bit stand offish even though mentioned in their range of services. Jennie had very nice firm skin over her whole body with no blemishes and her pussy was very tidy and tight.

The Story:

At the reception I was told Jennie was running late, I asked the reception to be aware that my session was late, and I did not want to be finished early. Jennie arrived 10 minutes late, she had a nice figure and a nice face. I am an Asian myself and looking at another Asian that I am about to have sex with made me feel a bit "icky". After the formalities Jennie asked me if I wanted anything extra, I said no (if you do book Jennie a look at her extra's, Jennie is full-on, she offers services I did not even know they were available). I asked her to lay on her back, this is when I started by kissing her on the lips, to my surprise Jennie was the first one to open her mouth and put her tongue into my mouth.

I brought my own massage oil. As I was massaging Jennie's body, I was surprised how firm and blemish free her skin was. This was not Jennie's fault, but I was still trying to finish on time even though the session started 10 minutes late, as I only have sexual intercourse in the last 5/10 minutes. Once I had massaged most of Jennie's body, I went down on her to eat her pussy. Jennie pussy was tidy and tight, I ate her pussy for a while, and she allowed me to do some light fingering as well, which was great. Coming to end of the session I had intercourse missionary style and

finished on time. Jennie did indicate that I still had some time left, but I personally feel uncomfortable about overstaying my welcome even if the session did start late. If I did use my full 45 minutes, I think I would possibly have asked for a 69 as her pussy is perfect for this.

I short Jennie, looks great and is willing to please. I always brush my teeth and have a shower before turning up for appointments, so if you want real DFK Jennie could be the girl for you.
